

Testing MathType

I want to determine if I can create equations on Mac, and then read and update them on iPad as well as Mac.

Further I want to be able to import into G-Drive Docs as a basis for creating web pages.

Sample Equations

$$y = \int_0^{\infty} x^3 .dx$$

Next Steps

Save as

1. Pages
2. Word
3. PDF

Open in

1. Docs on Mac
2. Word on Mac
Need to see if the equation remains
3. Open on iPad
 - I) Pages
 - II) Word
 - III) Docs

Save and open again in
